GUIDELINES FOR PROSPECTIVE MEMBERS

1. Before applying for membership of the club, a prospective member must meet the Club's qualification criteria by:
 - (a) Attending 2 Rallies and 2 Monthly Meetings with all attendances being **within four months of commencement of the qualifying period** (see paragraph 2); and
 - (b) Possessing a caravan or a vehicle which the committee accepts as the equivalent of a caravan (see definition of "acceptable vehicle" below);
2. The committee, through the Membership Secretary, will determine when the prospective member's qualification period starts. If failing to qualify within the qualifying period, the committee may upon request, grant a two-month extension, depending on the applicant's circumstances.
3. Failure to qualify within that period will result in the applicant being considered no longer a prospective member. If the applicant is still interested in becoming a member of the club, the applicant must complete another qualification period.
4. Prospective members will be forwarded 1 copy of the monthly Club magazine "The Gas Bottle".

Definition of "Acceptable Vehicle":

A towed or self-propelled vehicle containing built in living accommodation, of a reasonable standard, adequate for the prospective member's needs.
