## 2011 Springtime Rally

**26 September - 03 October**

*Dear Caravanners*

*You are invited to join us in Canberra, a city in a park that changes with the seasons and offers an array of unexpected delights. Canberra's famed national attractions hold the story of our nation. Discover Phar Lap's heart, an original FJ Holden and the journey of our Indigenous people at the National Museum of Australia. Take a behind-the-scenes tour with an elite athlete at the Australian Institute of Sport and feel the courage of our ANZACS at the Australian War Memorial's Tomb of the Unknown Soldier. See our country and people through the eye of artists, and experience Australian character through sound, film and engaging exhibitions. Join us for a fun evening by torchlight as we experience the sounds, smells and feel of the Botanical Gardens in the dark. Its all here in the nation's capital.*

*Delve further and you can actually meet a cheetah at the National Zoo & Aquarium or be greeted by one of our many local winemakers at their cellar door and sample the fruits of their labour. This modern city offers fun for everyone and a busy calendar of events and festivals - like Floriade this time of the year, Australia's celebration of spring, where glorious spring blooms erupt in tune with bright blue skies. An array of stylish restaurants, bars and shops are at your doorstep and for those more adventurous our scenic natural surrounds await you.*

*I will be looking forward to seeing you here in Canberra one year from now.*

*Your Rally Director*

*Laurie Bailey*
